

new ways of thinking law in Luxembourg

VANDENBULKE 

VANDENBULKE 

VANDENBULKE is one of the most dynamic and forward-thinking niche law firms in Luxembourg. We have an unambiguous strategy for delivering high-quality solutions in Luxembourg's emerging core practices: Corporate & Structured Finance, Venture Capital & Private Equity, Banking & Finance, Investment Funds, and International Tax.

Corporate

STRUCTURED FINANCE, SECURITIZATION,
CORPORATE FINANCE, M&A, LBOs,
PRIVATE EQUITY, VENTURE CAPITAL,
SPINOFFS, HIGH-YIELD TRANSACTIONS

VANDENBULKE's corporate lawyers are conversant with the most complex international corporate transactions. Riding high on a booming local financial environment, our expertise is paving the way in Luxembourg for advanced legal know-how and sophisticated transactions.

Finance

SECURITIES LISTING & DELISTING, CAPITAL
MARKETS, HIGH-YIELD DEBT OFFERINGS,
EQUITY DERIVATIVE PRODUCTS, REAL
ESTATE FINANCING

White-shoe firms, top-tier European law firms, leading US financial institutions, and major international banks in search of a truly independent Luxembourg law firm are entrusting VANDENBULKE with significant capital market and financial transactions. Our lawyers take professional pride in meeting these clients' high performance standards.

Tax

INTERNATIONAL TAX LAW, WEALTH TAX PLANNING,
ROYALTY OPTIMIZATION, TAX-FREE MERGERS

Tax is a driving force of VANDENBULKE's practice and of the Luxembourg financial scene. Our tax lawyers are at the center of all the international transactions on which we advise. We view tax as an integral part of our transactional work and ensure that our clients benefit from optimal tax efficiency in both direct and indirect taxation.

Fresh and energetic

VANDENBULKE is a niche firm, created to challenge the conventional modes of practicing law in Luxembourg. VANDENBULKE combines boundless energy with the nimble minds needed to address the ever-changing legal issues in Luxembourg's financial and corporate markets. Our youth brings innovation and vitality; our seasoned experience adds trustworthy knowledge and confidence.

Highly skilled, compact team

VANDENBULKE intentionally keeps its highly skilled legal team focused and compact. This allows us unsurpassed flexibility and fast-moving capabilities for handling —on time and on budget— any legal transaction.

Entrepreneurial vision

We share our unique entrepreneurial vision of the practice of law, blending local knowledge, cross-border expertise, and an unparalleled business-minded attitude. Relentlessly exploring innovative client approaches, we have designed alternative pricing policies that reflect our real added value, even as we enhance the reliability of our services. Our ambition —to reenergize the outdated behaviours of traditional legal practitioners— inspires our core value of responsive dedication to and anticipation of our clients' demands.

Passionate and focused

We believe that only passion can nurture expertise. We deliberately have focused our competence in our favourite key practice areas: Corporate, Finance and Tax.

Business connected

VANDENBULKE is an energetic player in the Luxembourg and international business communities and an active member in several international lawyers associations and business organizations.

Latest technology generation

Our work organization is built on a paperless strategy, where the technology aims at serving, first and foremost, VANDENBULKE lawyers' mobility and responsiveness. For our technology-versed lawyers, who have grown up with laptops, being at the leading edge of technology is not a burdensome necessity but a lively passion. We remain pc-connected around the clock and throughout the world.

From stars to starters

We believe that the quality of VANDENBULKE's legal work speaks louder than any clever advertising campaign. Our modern vision of the legal profession in Luxembourg and our fresh, energized, highly focused approach are attracting an increasingly large range of international institutions and corporations as clients, from Fortune 500 companies to newly created ventures.

The art of the possible

Simplicity is complex to achieve. Clients let us deal with the complexity; in return, we deliver to them the simple and straightforward solutions.
